Enjoy a relaxing 2 Day trip to beautiful Santa Barbara, where you will experience the sights of the American Riviera.

Your journey will begin with a one-way ride along California's scenic coastline aboard Amtrak from historic Union Station to Santa Barbara. Beautiful, easygoing, basking in year-round sunshine, beachside Santa Barbara is the hub of a large and spectacular coastal California county. Lying seductively between Los Angeles and San Francisco, just off scenic Highway 101, city and county alike are amazingly rich in diverse surprises, pleasures and attractions.

Your first stop in Santa Barbara will be a delicious lunch at Mulligan's Café. A local guide will join you for a city tour of Santa Barbara where you will see the rich Spanish heritage in the city's distinctive architecture, the cobble pathways, mission-style adobes, the Moreton Bay Fig Tree, courthouse and waterfront. Overnight stay at the Peppertree Inn with dinner voucher for each passenger.

Day Two starts with a full breakfast before visiting the Mission Santa Barbara. Known as the "Queen of the Missions, you will enjoy a docent tour of the mission including the breathtaking church, historic cemetery, beautiful gardens and a captivating museum. Lunch included at the waterfront eatery, The FishHouse, before continuing to the Reagan Ranch Center.

The Reagan Ranch Center galleries feature original Reagan Ranch artifacts matched with state-of-the-art, interactive, multimedia exhibits that highlight the history of Ronald Reagan's quarter-century at Rancho del Cielo and the accomplishments of his presidency.
