Escape the hustle and bustle of the city with an overnight trip to the scenic and relaxing California Central Coast.

Your journey begins with a journey of ocean views and lush farmlands. A stop in the historic town of Solvang for an authentic smorgasbord lunch and free time for visiting the Solvang shops and bakeries.

Continue up the central coast for an overnight stay at the Blue Sail Inn in Morro Bay, set on a bluff overlooking the Embarcadero and Morro Rock with easy access to the shops on the waterfront. In the evening you will set sail aboard the "Chablis" for a dinner cruise of Morro Bay with entertainment.

Day Two starts with a continental breakfast at the hotel, before you travel north to San Simeon. Your visit includes the film "Hearst Castle: Building the Dream"; the story of William Randolph Hearst and his architect, Julia Morgan. Shown on a five-story screen with seven-channel surround sound and breathtaking aerial scenery. Your guided tour of Hearst Castle takes a unique look at this magnificent hilltop estate and as you experience the 1920s and 30s grandeur that surrounded W. R. Hearst and his guests at La Cuesta Encantada or the "Enchanted Hill".
